

Kavishan Wimalarathna

ICT Undergraduate | Software Developer

Colombo, Sri Lanka | kavishanwimalarathna4@gmail.com | linkedin.com/in/kavishan-wimalarathna-55a21a344 | github.com/kavishan-w

PROFESSIONAL SUMMARY

Motivated and detail-oriented ICT undergraduate with a strong foundation in software development, web technologies, and system design. Dedicated to transforming theoretical knowledge into practical, real-world solutions. Seeking a challenging software development role to leverage technical skills and contribute to innovative projects.

SKILLS

Technical: HTML5, CSS3, JavaScript, Python, Java, C, MySQL, Git & GitHub, React, Node.js, Figma, VS Code

Soft Skills: Team Collaboration, Problem Solving, Effective Communication, Time Management, Adaptability, Critical Thinking, Leadership

EDUCATION

BSc (Hons) in Information and Communication Technology

University of Vavuniya, Faculty of Technological Studies — Expected Graduation: 2028

Relevant Coursework: System Analysis and Design, Object-Oriented Programming, Database Management Systems, Human Computer Interaction, Data Structures & Algorithms, Computer Networks

Academic Highlights: Active Member, ICT Society

PROJECTS

Hospital Management System

C#, Windows Forms, SQL Server / MDF, LINQ to SQL, Visual Studio

Designed and developed a Windows Forms desktop application for managing doctor and patient registration, appointment booking, and appointment tracking with an admin login workflow, replacing error-prone manual hospital record management.

SeatSync — Hall Seat Booking System

HTML, CSS, JavaScript, Node.js, Express.js, SQLite

Designed and developed a responsive full-stack web application for interactive seat booking, real-time availability tracking, and conflict prevention across multiple venues, including an admin dashboard for managing reservations.

EXPERIENCE & ACTIVITIES

Volunteer Web Developer

University ICT Society — 2025 to Present

Contributing to the development and maintenance of the society's website. Organized tech workshops and mentored junior students in front-end development.

Volunteer Design Work

Organization / Events

Designed user-friendly mobile app screens and interactive prototypes to support organizational events.

Official Photography & Events

University of Vavuniya — 2023 to 2024

Covered official university events, workshops, and sports meets, delivering high-quality event and portrait photography.

Tech Literacy Program

Community Service — 2024

Conducted basic computer literacy workshops for underprivileged youth, covering essential digital skills and internet safety.

INTERESTS

Web Development, Mobile Apps, UI/UX Design, Cloud Computing, Open-Source, Emerging Technologies
